

## **About Biscuits & Bath**

Biscuits & Bath is a unique dog care center in the heart of Manhattan that caters exclusively to urban dogs and their parents. Equipped with grassy running fields, cage free sleeping areas, and a full scale grooming service featuring all natural shampoos and conditioners, Biscuits & Bath offers New York's pooches an unparalleled level of care. Four-legged friends are invited to come for an extended stay or just a daytime retreat where they will enjoy socialization periods, small group dog walks and a pick up service from the parents' homes. Biscuits & Bath has also dedicated itself to giving New York's lost and homeless dogs a second chance at finding a loving home through the B&B adoption program, which offers adoptable dogs from AC&C and Animal Haven who reside in the most desirable pet suites in its storefront windows for maximum visibility. Biscuits & Bath believes that it has adopted more dogs from city pet shelters than any other rescue group and has successfully placed 95% of its adoption dogs on a long-term basis. At Biscuits & Bath, it truly is a dog's life to pant for. For additional information please visit [www.biscuitsandbath.com](http://www.biscuitsandbath.com).

## **Services Offered:**

Day Care

Overnight Care

Dog Walking

Grooming

Training

Transportation

**Biscuits & Bath Adoptions:** Animal Care & Control (AC&C), New York's largest pet rescue organization, Animal Haven, and Biscuits & Bath, the leading provider of dog care services to New York's dogs and their parents, have joined forces to launch a new dog adoption program. Every animal adopted through the adoption

program will receive a 6-month Biscuits & Bath membership worth \$175 and free initial visits to the University Animal Hospital, Center for Veterinary Care or Park East Animal Hospital that include a one year 20% discount on all bills excluding catastrophic illness. All dogs will be vaccinated and spayed or neutered before coming to Biscuits & Bath for the adoption program.
